SPANISH INFLUENZA EPIDEMIC

Shows Much Improvement, Yet Many New Cases Reported Daily.

Many are finding relief from Influenza, Cough, Sore Throat, and perhaps pneumonia. It is said, by the use of Miller's Antiseptic Oil (known as Snake Oil), which contains Turpentine, Camphor, Coal Oil, Oil Cloves, Oil Cassia, Oil Cajuput, Oil Origanum, Oil Eucalyptus, Oil Wintergreen, and other valuable oils. Its great penetrating, pain relieving qualities insure almost instant relief when applied freely on the chest or throat well greased with Miller's Antiseptic Oil. The Oil penetrates through to the affected parts and tends to open up the air passages, making breathing more easy, relieving the pain. And for the cough a few drops on a little sugar usually brings prompt relief. Don't fail to have a bottle on hand when the attack comes on and if used according to directions results are assured, or your money refunded. On sale at all drug stores, 30c, 60c and \$1.00 bottles. Remember this treatment will not interfere with purgative prescribed by your doctor. Jo Anderson, Chattanooga, Tenn. (Adv.)

ORDER FIRING CEASED

German Wireless Sought Safe Passage for Envoys.

Paris, Nov. 8.—German grand headquarters yesterday requested allied grand headquarters by wireless to permit the passage of the German delegation for armistice negotiations through the lines. The order was given to cease firing on this front at 3 o'clock in the afternoon until further orders. The German wireless message asking for an appointment to meet Marshal Foch says:

"The German government would congratulate itself in the interests of humanity if the arrival of the German delegation on the allied front might bring about a provisional suspension of hostilities."

The documents published last night follow: "There was received Nov. 7, at 12:30 a. m. the following from the German high command by order of the German government to Marshal Foch: 'The German government having been informed through the president of the United States that the French government has received powers to receive accredited representatives of the German government and communicate to them conditions of an armistice following plenipotentiaries have been named by it: Matthias Erzberger, Gen. H. K. A. Winterfeldt, Count Alfred von Oberndorf, Gen. Von Gruenell and Naval Capt. Von Salow."

"The plenipotentiaries request that they be informed by wireless of the place where they can meet Marshal Foch. They will proceed by automobile with automobiles and staff to the place thus appointed. The plenipotentiaries were given to cease fire on the front at 3 o'clock p. m. until further orders. On Nov. 7, at 1:35 a. m., Marshal Foch sent the following to the German command: 'If the German plenipotentiaries desire to meet Marshal Foch at the place for an armistice, they will present themselves to the French outposts by the Chimay-Fourmies-La Chapelle-Guille road. Orders have been given to receive them and conduct them to the spot fixed for the meeting. A German wireless dispatch received Nov. 7 at 1 p. m. said: 'German general headquarters to the allied headquarters. The German commander-in-chief to Gen. Foch: The German plenipotentiaries for an armistice leave Spa today. They will leave here at noon and reach, at 5 o'clock this afternoon, the French outposts by the Chimay-Fourmies-La Chapelle-Guille road. There will be ten persons in all, headed by Secretary of State Erzberger. The following wireless dispatch was received at Marshal Foch: From the German outposts to the French outposts our delegation will be accompanied by a road-mending company, to enable automobiles to pass the La Chapelle road, which has been destroyed. The following wireless in German was received at 6 p. m.: 'The German supreme command to

Gen. Foch: By reason of delay, the German delegation will not be able to cross the outpost line until between 8 and 10 o'clock tonight at Haudroy, two kilometers northwest (northeast) of La Chapelle."

The message announced that the German plenipotentiaries would arrive at the French outposts on the Chimay-Guille road on Thursday between 8 and 10 o'clock in the evening. The mission is headed by Matthias Erzberger, secretary of state and head of the war press department, and includes Gen. H. K. A. von Winterfeldt, former military attaché at Paris; Count Alfred von Oberndorf, former minister at Bucharest; Gen. Von Gruenell and naval Capt. Von Salow.

Prohibition Amendment Adopted in Jacksonville, Fla., Nov. 8.—Related returns of the general election have not served to decrease the commanding lead given the prohibition forces of Florida.

Their right to have Florida placed in the dry column. The indications of a 2-to-1 vote in favor of the amendment of the state-wide prohibition amendment have been maintained, and Florida will be a dry state on Jan. 1, 1919. The state is already virtually dry, there being but one wet county in the fifty-four, and that is Hillsborough, in which Tampa is located.

An Old Recipe to Darken Hair

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy.

Almost everyone knows that Sage Tea and Sulphur properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy, and you look years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease. (Adv.)

Don't forget to save your peach stones, olive pits, etc. Barrel is in front of our stove.
